

## Burglar Caught In Act

Gary Willoughby woke up Saturday morning at 3:46 a.m. to find a man breaking into the front door of his house along Evergreen Dr. near Stephan Bridge Rd. According to a sheriff dept. report, Willoughby's phone was out of order so he drove to a pay phone to call police. Sheriff deputies responded and arrested a man in the living room at Willoughby's residence. The subject's name is being withheld until arraignment.

Two men were arrested June 5 after the owner of the Roost Motel caught them in the office area stuffing money from the cash register into their pockets. The owner held one suspect until police arrived and the other suspect was caught in the Red Barn bar.

## Grayling Man Injured

Tim Rollins, 21, of Grayling was seriously injured Saturday about 6:10 p.m. when his vehicle collided with a vehicle driven by Ken Coutter, 19, of Roscommon. Rollins was taken to Mercy Hospital for multiple injuries and was transferred to Petoskey. According to a Crawford County Sheriff Dept. report, the vehicle driven by Coutter had stopped at a stop sign at the intersection of Fletcher and Old 27 and proceeded across roadway striking Rollins' vehicle.

## City Police Arrest B & E Suspect

The Grayling City Police arrested a subject Wed., June 6, on Felony charges stemming from an August 1983 breaking and entering of the St. Mary's Catholic Church.

Investigation of the subject has also cleared up the breaking and entering complaints involving the Michelson Memorial Methodist Church and the Lutheran Church located on Old 27 N. of the City.

The subject was transported from Isabella County by the Crawford County Sheriff Dept. where he had been held on the Felony Warrant. The subjects name is being withheld pending arraignment on the charge.

## Army Band Concert Thursday Noon On Grayling State Bank Lawn

The 202nd Army Band of the Kentucky Army National Guard will perform in concert at noon Thursday on the lawn of the Grayling State Bank on Michigan Avenue.

The 202nd is directed by CW3 John Hoover and has performed several times at the Kentucky Derby. The concert is free and open to the public.

## Sign-Up Started for 1984 Michigan Youth Corps

Area youth 18-21 must sign up by 4:30 p.m. Friday at the MESC office in the county courthouse to be eligible for summer jobs, said Jim Karpicke, MESC Job Service Representative. The MESC office is open weekdays 8:30 a.m. to 4:30 p.m. except Thursdays.

## Free Summer Playground At Hanson Park Now Open

This summer, Hanson Park will be offering a supervised activity program for children at the park. All children in the area are cordially invited to attend as often as they would like, free of charge. Included in the program will be story hours, outdoor games, indoor games and group and individual activities. The supervised playground will operate daily Monday through Friday from 10:00 a.m. until 5:00 p.m. As the summer progresses, special days will be established which will feature special events and activities. While at the park, children will be under adult supervision.

## Mercy Hospital Open House June 23

Grayling Mercy Hospital started in 1911 with 17 beds serving primarily local lumbermen. Currently, Mercy has 90 acute care and 40 long term care beds. From 1916 to 1920, Mercy Hospital treated 1300 patients. In 1983 alone, counting both inpatients and outpatients, Mercy treated 24,500 people.

Mercy Hospital has come a long way since those early years. To commemorate the progress, a celebration is being planned. The theme, "Look How Far We've Come," has been chosen for the Open House.

Featuring both past and present at Mercy Hospital, many activities are planned for the Open House celebration, Saturday, June 23, from 11 a.m. until 3 p.m. Historical displays, free health screening, hospital tours and an ambulance demonstration are some of the scheduled events taking place.

Health screening tests will include blood pressure, pulse, blood sugar, and skin fold thickness tests (a test to measure the percentage of body fat to vital tissue).

## Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 13 June 84 thru 20 June 84.

The Small Arms ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM 16 June 84 and cease at 12:00 PM 20 June 84.

The Mortar range located south of the main post, bounded on the west by Cadillac Rd and on the east by Carrier Rd. Firing will begin at 8:00 AM 16 June 84 and cease at 12:00 PM 20 June 84.

The Demolition ranges located south of Howe Rd, west of the Crawford County Line, north of Daniels Rd and east of the gas pipeline. Firing will begin at 8:00 AM 16 June 84 and cease at 12:00 PM 20 June 84.

The Range 30 Complex located north of North Down River Rd, east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail. Firing will begin at 8:00 AM 16 June 84 and cease at 12:00 PM 20 June 84.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin 9:00 AM 13 June 84 and cease at 12:00 PM 20 June 84.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

## Two of Grayling's Oldest Buildings Struck by Fire

By Jon Thompson

Two of Grayling's oldest buildings were struck by fire last week. The old Avalanche building at 224 Michigan Ave. was gutted Tuesday from a fire a State Police Fire Marshall has determined as arson. Wednesday, the Gray Lee Judo Club, at 606 Ionia, (originally built as the Scandinavian Evangelical Lutheran Church) was struck by lightning and fire destroyed the 91-year-old structure.

The old Avalanche building, housing the county's newspaper from about 1903 to 1979, was reported on fire at 6:15 p.m. The Grayling and Beaver Creek fire departments kept the blaze confined to the single building with one adjacent building suffering damaged paint from the heat. Grayling City Police, investigating the blaze with the state police, are requesting any persons with information about the fire to call the city police office. All information will be held in confidence.

The Judo club building was reported on fire about 3 p.m. after a bolt of lightning struck the steeple. Fire departments from Grayling, Beaver Creek, Camp Grayling,

Frederic, Waters, and the DNR battled the blaze. Lightning also knocked out a city water pumping station about three blocks away and low water pressure at the fire scene briefly hampered firefighters. Water lines were dropped into the AuSable River nearby, but full water pressure was restored at the scene before the fire was controlled.

Three Grayling firefighters were injured in the fire. Jed Blaauw was pinned beneath approximately 500 pounds of wood when the steeple collapsed as he was in the building. Blaauw was freed by several firefighters, one using a chainsaw to help cut through the wreckage. Blaauw was taken to Mercy Hospital along with two other firefighters receiving minor injuries, treated and released.

The building was erected in the spring of 1893 and dedicated as the Scandinavian Evangelical Lutheran Church. The church was re-named the Danish Lutheran Church and later called the Grayling Evangelical Lutheran Church and in 1963 it became the St. John Evangelical Lutheran Church. It was last used as a church in 1965.

## Primary Ballot Features Both County, Twp. Races

Several candidates for county and township offices will meet head-to-head in the August primary.

Heading the county races will be a battle for the Republican nomination for sheriff, Joseph White is running on the Democratic ticket seeking re-election while former sheriff Harold Hatfield will face Michael C. Anthony on the Republican ticket in August.

Democrat Elizabeth Wieland is seeking re-election to County Clerk/Register of Deeds. James K. Kolka is on the Republican side seeking election to the position.

Incumbent Jeannette Kitchen is on the Republican ticket seeking the seat of county commissioner for district 1. Junior E. Palmer is on the Democratic ticket for the seat of county commissioners for district 1.

For district 2, incumbent Mary Elaine Harland will face Lester K. Powers for the Republican nomination.

For district 3, the only candidate is Democrat Andy Neilson.

For district 4, the only candidate is Democrat Lawrence Mattis.

For district 5, incumbent Don Welser faces opposition from William E. Ruddy for the Republican nomination.

For district 6, the only candidate is Democrat John Miller.

For district 7, Mahlon E. Riker and Garland H. Joyce are both seeking the Republican nomination.

Republican Joseph Wakeley is the only candidate for county treasurer and Republican John Huss is the only candidate for prosecuting attorney. Republican Gloria Kraus is the only candidate for road commissioner.

In Grayling Twp., Republican candidates for supervisor are Charles H. Knecht, William Lowes, and Arnold Thomas Stancil. Democrat candidates for supervisor are Joseph P. Elekonich and Larry Ernest Grant. Monica Stephan Ashton is the only candidate for township clerk and Ruth M. O'Mara is the only candidate for township treasurer. Both are Republicans.

Republican candidates for two Grayling Twp. trustee positions are John E. Medler, Robert McLachlan, and Arthur H. Tessler. Jr. Democratic candidates are Howard K.

Guyette, Sr., and Blanche D. Miller. Republican RaxAnn Adams is the lone candidate for constable.

In Frederic Twp., the only position with a race is constable where Democrats Rodney Hinkle and incumbent Charles E. Stoddard face each other in the primary.

Running unopposed are Democrat Harold Mertes for supervisor, Democrat Mildred Harmer for clerk, Republican Viola Middleton for treasurer, Republican Alan D. Leng for trustee and Democrat Betty Sajdak for trustee.

In Lovells Twp., Republicans Lyle Jewell and George Wingeier will compete for supervisor. Republicans incumbent Helen Spencer and Walter Leibold will compete for township clerk. Four Republicans, Bernice (Doll E) Baughn, Dolores Haberland, Jack C. Kaiser, and M. Patricia Miller will seek the treasurer position. Democrat E. Joyce Mullin and Republican Betty Burden seek two trustee positions.

In Maple Forest, Democrats Barbara Hunter and Susan Keene are running unopposed for supervisor and clerk. Democrats Shirley Deron and Edna Canfield will seek the township treasurer position. Incumbents Edna Babbitt and Edward Young, both Republicans, will face competition in the primary from Barbara Domcik, a Republican, for two trustee positions open. Democrat Arleen Murphy is also seeking a trustee position. Democrat Robert Young is unopposed for constable.

In South Branch Twp., running unopposed are George Rybicki, Republican, for supervisor, Mary Mollon, Republican, for clerk, Deanna Weiler, Republican, for treasurer, and Republicans Muriel Michael and Paul Musselman for two trustee spots.

In Beaver Creek, incumbent Cletis Spears will face Albert Austin for the Democratic nomination for township supervisor. Incumbent Democrat Florence Nelson and Republican Joann Cooper will seek the clerk position. Democrats Terry McGregor and James Small will seek the nomination for treasurer. Two Democrats, Edna Hammermeister and Richard William Johnson, and Republican Kathleen Mobarak will seek two trustee positions.

## Middle School Bond Issue Turned Down

by Jon Thompson

A proposal to build a new middle school was defeated 1310 to 932 Monday. The proposal lost out 1008 to 653 in Precinct I, 216 to 54 in Precinct II, and 86 to 25 in Precinct III.

Ann Stephenson won a school board seat outpolling Todd Riley 1404 to 530.

In the COOR Board of Education election, Carpenter, Sohn, and Sawyer were declared winners. In the Crawford AuSable School

District, Robert Carpenter received 839 votes, Thomas Sawyer 767, Carl Wright 689, Lynn Sohn 656, Jr. Clemens 462, and John Bifoss 425.

In the KCC Board of Trustee election, McClelland and Hayes were declared winners. In the Crawford AuSable School District, Jerry Hayes received 1279 votes, Suzanne McClelland 846, Roy Spangler 773, and James Heim 280.

## Aging Commission Director Fired

By Jon Thompson

Lora Gould was terminated as Commission on Aging director Tuesday by the county board of commissioners at their regular meeting.

The dismissal came after a major reformation of the Commission on Aging — changing from a 12-member board to a board made of three county commissioners, Mary Harland, John Miller, and Larry Mattis.

Harland will serve as interim project manager while the new position of project manager is advertised. Other Commission on Aging employees were not dismissed and the board has contracted for a comprehensive audit. The board is also advertising for four citizens to help advise the new board.

The vote to fire the director was 6-1 with Welser the lone no voter. Andy Neilson made the motion and it was supported by Miller.

The action followed a two-hour discussion at a county board meeting Thursday attended by the aging board, its director Lora Gould, three HUD officials, three NEMSCA officials, Grayling Housing Commission President Dorothy Latuszek, the county's assistant prosecutor David Sabin, and about 75 citizens.

At the meeting, Ed McGoin, of HUD, said "If there are expenditures that were clearly ineligible and used for purposes for which the housing commission shouldn't have been permitted to utilize those funds, then we have to go to the Grayling Housing Commission and give them what we call a demand letter."

He said if it is determined by HUD that there are justifiable legal debts, efforts will be made to collect and it may involve litigation. The U.S. Attorney will make that decision, he said.

McGoin said HUD will hold no one accountable except the Grayling Housing Commission and HUD will give advice and assist them in making a legitimate collection effort if that is what is needed.

Grayling Housing Commission President Dorothy Latuszek said if that determination is made, then the GHC will have to take the appropriate steps.

Thomas Jones, of HUD, said a comprehensive audit is needed to sort out funds from the GHC, Commission on Aging, NEMSCA, and other programs. Lerg said a comprehensive budget would be the clearest way to resolve questions.

John Alef, chairman of the Commission on Aging since it was formed in 1968, and aging commission board member Harrison Goodhue both read at the meeting a 15-minute prepared statement compiled by Alef.

Included in the presentation were statements that the GHC directed Gould to apply for programs and grants that would benefit all seniors at the center and rent for the programs was approved as in-kind services until December of 1982.

Alef's statement also said the commission on aging attempted for one year to negotiate a lease but HUD found no proposals acceptable. Furthermore, Gould became director of both the GHC and the commission on aging in 1970 with the approval of both boards and the government.

In conclusion, Alef's statement said the so-called charges against Lora Gould were returned by the Attorney General's office saying there is no evidence of violations of any Michigan law. Additionally, since no statement of charges have been made, Lora Gould's civil rights have been violated by allegations and innuendos released to the public.

Latuszek said she has spoken with the former director about various things and did not get satisfactory answers. She said she has sought information from past GHC members and past minutes and from HUD.

"I'm willing and open for answers too," she said and asked the commission on aging board if they could answer some questions.

"We have found checks that paid for gasoline much more than we would ever use. We have found \$748 in repair costs for a car we did not own. We have found repairs for a 1974 van we do not own. We have found mileage payments for the director for cars owned by HUD.

"I've been on the board two and a half years and I've never seen a travel voucher," Latuszek said.

"Has the commission on aging ever reimbursed the GHS for mileage to meetings related to the commission on aging? Does the commission own a 1973 station wagon or a 1974 Ford van? Can your commission itemize donations given for gasoline for various trips? Has the commission ever reimbursed the GHC for office supplies?"

Latuszek also said later at the meeting that the GHC has authorized salary increases for the last two years yet the GHC secretary has not received a raise. Latuszek said the GHC does not know where the money was spent.

Kathy Miles, from HUD, raised questions in several areas. 1) She said the utility cost at the Grayling Housing project was more than half of the rent paid, making the per unit cost at project one of the highest in Michigan. 2) HUD was billed for repairs and insurance on cars it no longer owned. 3) HUD was billed for diesel fuel when it owned no diesel equipment. 4) HUD was charged for 18,000 gallons of gas during six and a half years when the two HUD automobiles showed a combined mileage of 90,000 miles. 5) The director was paid \$50 per diem for trips when the approved amount was \$35 a day. 6) Numerous checks were issued and signed by one person for food and lodging expenses.

"The only comment any of us on the Commission on Aging can have," said Harrison Goodhue at the meeting, "is that if we are permitted to make an audit, we'll be delighted to make an audit and let the chips fall where they may."

## From Our Corner...

We were touched with a bit of nostalgia twice last week...the first came Tuesday evening when we arrived home from taking Dane and Amber to Traverse City to catch their flight for home when we came down Norway Street and turned on Michigan Avenue and seen all the fire trucks and police cars in the next block and realized that it was the old Avalanche building that was burning...the smoke was so dense it looked as if there were other buildings involved also...

Our first thought was when we first walked into the building...it was in March of 1946 when we started working for Robert and Eva Strong following our stint in the Army during World War II...

The building holds a lot of newspaper memories as it dates back to around 1903 when Dr. Oscar Palmer was publisher, and he was followed by Oscar Schumann and Robert Strong, until the present owners purchased the business in 1967...the Avalanche was published in the building until November of 1979 when the present building was purchased and the Avalanche moved down the street...

It was during our tenure with the Strong's that the cement block portion in the rear was built and a four-page press was bought to replace a two-page press that had served since the days of Palmer...it was after the present owners purchased the paper and switched to the offset process of printing that the letter presses became obsolete...not needing the room for the presses and typesetting machines prompted the purchase of our smaller quarters...

It took a human torch to kill off the remaining gremlins that are so prevalent in the newspaper trade...

Our second touch of nostalgia came the very next day when a lightning bolt struck the steeple of the old Danish Church on Ionia street which became like a torch in a second...

We talked to Ingeborg Raee Saturday evening and she gave us a little bit of background on the church...

The church was built in the spring of 1893 and dedicated on July 2nd, 1893 and was first named the Scandinavian Evangelical Lutheran Church...Mrs. Raee mentioned that at one time there seemed to be more Danes living here so the church became the Danish Lutheran Church, and was followed later when one of its ministers decided that the name may cause people to think one had to be a Dane to belong, so the church became the Grayling Evangelical Lutheran Church...

It was in February 1963 that the present name of St. John Evangelical Lutheran Church was officially adopted...the old church was used until December 1965 when St. John moved to the remodeled Danebod Hall on Michigan Avenue. In recent years the congregation purchased the former Mt. Hope Evangelical Lutheran Church at 710 Spruce Street and moved there...

Our touch of nostalgia dates back to when we were a young fella living in Gaylord and would accompany our mother on the train to Grayling to attend special services of the church...we would stay overnight with my aunt Marie Hanson and return to Gaylord the next day on the train...

There wasn't a Lutheran Church in Gaylord, and Mrs. Raee mentioned that all of the ministers were Danes and their sermons were in Danish, which attracted my mother as she spoke more fluent Danish than English, she was 17 years old before she came to the United States from Denmark...in fact as we were growing up, we remember when things were not for our ears, my folks spoke in Danish...my mother forced herself to learn to write English so she could write to my brother Norm and I when we were in service...

The Danish Church fire brought back memories of my mother, and the thought of the struggles she must have had as all of her relatives lived in Iowa...but her family was here in Michigan...

Enough for nostalgia...we will bid T.J., Stefany and Amber goodnight, and to all of our readers...have a nice weekend, summer arrives June 21st...

The Kirtland's Warbler is the sole species of bird which nests in Michigan and nowhere else in the world, says Harrison B. Tordoff (PHD), University of Michigan associate professor of zoology and curator of birds.

The bird winters in the Bahamas and covers the distance between there and its breeding grounds in Michigan so rapidly that it is seldom seen in migration.

Its breeding range in Michigan is an area about 100 miles long and 60 miles wide located in the north central part of the Lower Peninsula. The towns of Grayling, Mio and Atlanta are in this area, Tordoff says.

During nesting season the Kirtland's Warbler's habitat is restricted to groves of young jack pines which must be between five and 15 feet. The nest is placed on the ground under the jack pines which grow in areas cleared by forest fires.

With the increasing control of forest fires however, the available habitat has decreased so that the birds are much less numerous now than 50 years ago.

"The future of this bird is not bright," says Tordoff. "In the summer of 1961 all singing males were counted. The count showed there were fewer than 500 pairs, a very small population indeed for any species."

### MARKS OF A HYPOCRITE

Matthew 23:29-33

In Matthew 23:29-33 Jesus reminds the hypocrites of their hatred and violence toward the true servants of God. This week we shall look at their attitude toward the martyrs who died defending the faith.

First, they are the first to praise the spiritual giants of the past who really believed God and stood for the truth. "Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous." Matthew 23:29. After a few years, religious hypocrites turn their dead enemies into heroes. Charles H. Spurgeon knew this truth a century ago in England when he fought viciously against liberalism and modernism. He said he was willing to be eaten by dogs for the next 50 years, because he knew he was doing right and history would vindicate him. Today, around the world, Spurgeon is known in most religious circles as the "prince of preachers".

Second, they deny that they would have killed God's servants, had they lived at that earlier time in history. "And say, if we had been in the days of our fathers, we would not have been partakers with them in the blood of the prophets." They would admit their spiritual relationship with the spiritual hypocrites of the past. Jesus reminded them of this. "Wherefore ye be witnesses unto yourselves, that ye are the children of them which

killed the prophets." Matthew 23:31. Every generation claims to be more civilized than their forefathers.

Third, they are just as bad or worse than the liberal, humanist, hypocrites of the past. "Fill ye up then the measure of your fathers. Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?" Matthew 23:32, 33. These were the religious leaders of Israel Jesus had told His disciples would crucify Him. He looked them straight in the eyes and told them He knew what they were inside and what they planned to do. We read of these same leaders in Matthew 26:3, 4. "Then assembled together the chief priests, and the scribes, and the elders of the people, unto the palace of the high priest, who was called Caiaphas, and consulted that they might take Jesus by subtilty, and kill him."

They lived up to their name serpents and vipers by their subtilty. Subtle means, "hardly noticeable; delicate, refined, shrewd, keen, clever, sly." Jesus said religious leaders who oppose God's true servants are serpents and vipers who will not escape the damnation of Hell! Spiritually dead, and morally degenerate hypocrites still stand behind sacred pulpits and give the public image of worshipping Jesus Christ while they deny His virgin birth and deity, make Him a liar by rejecting His Bible as final authority, and discredit His blood atonement as man's only hope for eternal salvation. FA 50 Shuttle®  
If you want to get there the easy way  
(and beat the high cost of a car), the Suzuki Shuttle®  
is the way to go. It gets you around  
town simply and reliably, with an  
economical two-stroke  
engine that delivers up to  
100 mpg (or more). It's  
easy to operate, with an  
automatic clutch and no-  
shift, single-speed trans-  
mission. It's easy to service,  
thanks to a no-maintenance "PEI"  
electronic ignition, automatic  
"CCI" injection, and a fully en-  
closed, self-adjusting chain drive.  
With full suspension,  
it rides smooth, and  
with full street light-  
ing and standard rear  
cargo carrier, it's as  
practical as can be.  
Shuttle, anyone?

## Hanson Hills to Co-Sponsor Troop 997 with Kiwanis Club

Hanson Hills has offered to co-sponsor along with the Kiwanis Club, the Boy Scouts of Troop 997.

In co-sponsoring, Mr. Howard Taylor stated that although Hanson Hills could not help financially, they would provide facilities for any troop, district or committee meetings. Hanson Hills will also provide the troop and district council an area for campouts and cook-outs. The scouts may use Hanson Hills for working on various merit badges and skill awards. Scouts fourteen and under may fish in the stocked pond. Also available at Hanson Hills are paddle boats, baseball field, and skiing. Hanson Hills has the outdoor environment that the troop needs to help these scouts along the path to some day becoming Eagle Scouts and great leaders of the future.

The scouts will be meeting during the summer on Thursdays from 7:30 till 9:00 p.m. Any boys interested in becoming a scout feel free to attend any of the troop meetings at the main lodge of Hanson Hills. Come out and join the fun.

We have a Wilderness Survival canoe trip on the Manistee June 15th to 17th, and there is an advancement hike and campout scheduled for July 6th to 8th. The scouts will attend summer camp at the Paul Bunyan Scout Reservation July 29th till Aug. 4th. September 3rd the scouts plan on walking the Mackinaw Bridge, Sept. 28th to 30th there will be a fall camporee where the scouts will be in competition with other troops of the Lake Huron Area District. The troop is also in the process of setting up a campout down state where the scouts can take in a Tiger ball game.

Don't miss out, sign up now with one of the finest organizations in the world, The Boy Scouts of America, for information in the Grayling area call the troop scoutmaster Dr. Barry Fenn, 348-8706 or Mr. Don Gross, 348-2249. Beaver Creek residents call Ms. Evelyn Kemp at 275-8445.

## Editor's Mailbox

Dear Whitey,  
The St. Jude Children's Hospital wheels for Life Bike-a-thon is over for this year, and looking back, we want to sincerely thank the citizens of Crawford County for their generous support.

We are extremely proud of the 80 riders, the hard working volunteers whose efforts made this a success, and the citizens of Crawford County. Thanks to them we raised a grand total of \$2,864.86.

Because the diseases that St. Jude Children's Research Hospital is battling can strike anywhere, this money will be helping to save children's lives all over the world.

Your help was an important part of this event, acquainting the citizens of Crawford County with the lifegiving work being done by St. Jude Children's Research Hospital, & publicizing the bike-a-thon event. For that we are very grateful.

It is a wonderful feeling to know that the people of our community are concerned and caring individuals and, on behalf of the children of St. Jude's, we want to thank each and everyone who helped.

Sincerely,  
The Union of the Salt (5th & 6th grade class at Michelson United Methodist Church (campaign sponsors) Catalogs

### Study Says Midland Plant Not Feasible

Warren M. Hoyt, Executive Dir., MPA

A study released recently by Attorney General Frank Kelley contends it is not economically feasible for Consumers Power Company to complete its Midland nuclear plant.

The study by Energy Systems Research Group of Boston said it would cost ratepayers \$24.3 billion over the 40-year life of the plant (\$2.6 billion in current valued dollars), in excess of costs to simply abandon the project and result in a loss of 8,170 jobs in the first five years of its operation.

The release of the report came a day before a coalition including Kelley, which has called for abandonment of the plant, was to resume negotiations with Consumers officials.

Kelley said the report does not close the door to negotiations, but it makes it very difficult for him to support a plan that would include completion of at least part of the project.

"It is becoming quite obvious that completion is less and less a possibility," he said. Kelley said the "ball is in their (Consumers) court" on the next step, since all decisions regarding construction of the plant has been theirs.

Consumers officials have proposed a plan to complete only Unit 2 at an expected cost of \$4.1 billion, but charge only \$3.5 billion to ratepayers, and abandon Unit 1. The \$3.5 billion is about what has been invested to date in the project.

Tom Holliday, spokesman for the utility, said the study results were about as expected since the group has concluded in several other studies for anti-nuclear projects that they were uneconomical.

"If it had been objective or had been from a more objective source, it could have been used as part of an agreement for a proposal we believe is a reasonable way to cover the costs of the project," Holliday said. He said abandoning the project

would save ratepayers money in the first 10 years, but over the next 15-20 years, the costs of completion versus abandonment are about the same.

Holliday said that because the utility will need to find the power somehow it would have to try to purchase it if it were available.

Richard Rosen, head of the research team that conducted the study, said the utility could obtain needed power from Detroit Edison and other midwestern utilities which are expected to have excess generating capacity.

In the late 1900's, he conceded, Consumers might have to build a coal-fired electric plant in Midland if not built other utilities cannot supply needed power.

He said the cost cap offered by Consumers is worth less than \$600 million.

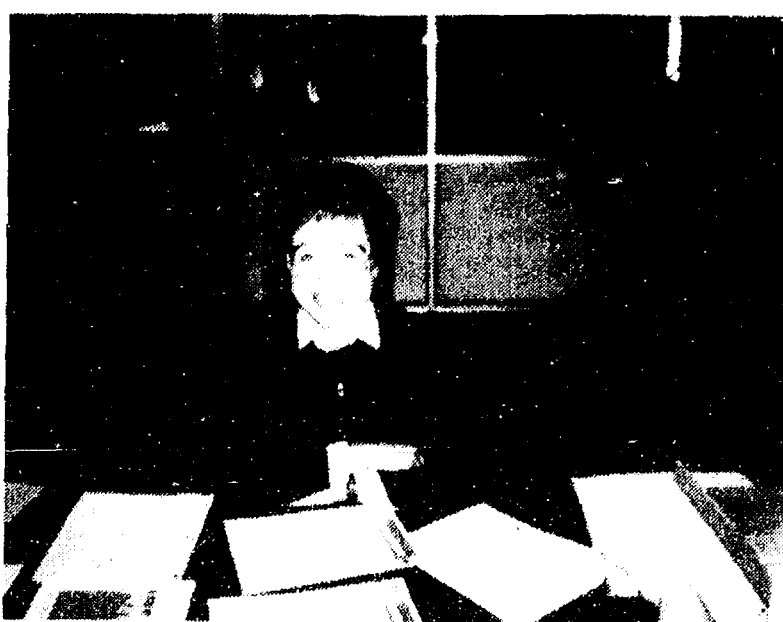

Abandonment would save ratepayers \$24.3 billion even after compensating Consumers for its investment. The completion costs include construction, operation and maintenance costs, replacement power when the plant is not producing electricity, nuclear fuel, disposal of spent fuel and decommissioning costs.

Deflated back to current dollars, he said the cost to ratepayers would be \$2.6 billion.

Admitting that his group usually recommends against completion of nuclear projects, Rosen said, "The economics of Midland is among the poorest of any nuclear power plants in the country. In any case it looks to us like the units are totally uneconomical and the investment should not be continued at this point."

Roger Fischer, director of the staff of the Public Service Commission, said the coalition fully supports abandonment of the project, but does continue to look at other options offered by the utility.

## Volunteers on the Go!

Pictured above is Margaret Cook working at the Grayling Elementary School on Kindergarten pre-school tests day

Margaret Cook is another of our school volunteers who has been working in the Remedial Reading program this past school year. Also she has been one of our volunteers we call on for special day activities.

In previous years she has worked as a volunteer aide in Kindergarten; in the school library, answered the call for help on special day activities, such as Kindergarten screening; test scoring, etc.

To her volunteer credits are: Cub Scout Den Mother 1 year, has taught Sunday School for the past 4 years at Michelson Memorial Methodist Church, been a March of Dimes Mother for 2 years, and an active member of Michelson Memorial Methodist Church for 7 years.

She is the mother of two sons, enjoys jogging, golf, and bowling.

When asked why she is in the program she said she enjoys being with young children and especially this year's working in the remedial reading room at the Grayling Elementary School. She says, "I feel satisfaction in knowing I was able to help a child learn to read." She also added, "I believe parents should become volunteers so they know what their children are doing and learning; and then can help their children at home."

Thanks Margaret, for caring so much to help our children learn to read and for all the other jobs you have done. Also for your community and church involvements.

For further information on the Crawford AuSable School Volunteer Program please call Mrs. Wolf at 348-7641, ext. 52.

## Eagles Auxiliary

The first meeting under our new slate of officers was held Thursday, June 7. Thirteen members were present.

President Hilde Farnar appointed Dee Bellanger and Valerie Zimmerman Interviewing Committee.

Committee for luncheons for initiations, funerals, etc. are: Violet Hohner, Rita Pope, Ann Latusek, and Helen Williams.

Dee Bellanger is retaining her position as Jewelry and Bingo Concession chairman. She gave a year end accounting and did a marvelous job. Thanks also to Helen Williams for taking charge of Charity Bingo.

A group from our Lodge attended the District 8 meeting in Indian River Sunday, June 10. Betty Lozon was installed as Vice-Chairman, Ann Latusek did a beautiful job as Installing Officer.

Sunday, June 17, from 8:30 a.m. till 10:00 a.m. the men will be serving breakfast. Take your favorite man out, remember it's Father's Day. Check with any member or call the club for more details.

We have a suggestion box at the club, if you have any ideas you would like to see initiated, drop them in and they will be discussed at the meetings.

Next Auxiliary meeting will be June 21, 7:30 p.m. Publicity Chairman

### Will Seek Fourth Term

Marquette — Northern Michigan Congressman Bob Davis announced today that he would seek a fourth term as United States Representative from the Eleventh Congressional District. The 11th District comprises 28 counties in Northern Michigan and is the largest in Michigan as well as one of the largest in the United States.

Davis, a life-long resident of the 11th District, expressed enthusiasm for continuing to represent Northern Michigan and said there is a need to continue to have a strong, steady voice in our nation's capital.

"I realize there are many economic problems yet to be solved in our District, but I am very optimistic about our future when I look at our strong forest industry and tourist base. I am hopeful we are also seeing the beginnings of a resurgence in our mining and shipping industries," he said.

"I have been privileged to represent the people of the 11th District for the past six years, and look forward to continuing to work for the best interests of our people," said Davis. He concluded by saying, "I believe my voting record reflects the views of my constituents and that my experience in both the state and federal legislatures allows me to work effectively on behalf of my district."

## Language Arts

### LANGUAGE ARTS

A new 6-8 language arts curriculum was implemented fall 1983. The program will involve instruction in reading, writing, spelling, grammar, literature, speech and journalism for all middle school students. Sixth grade students receive two periods of instruction per day and seventh and eighth grade students receive two periods per day one semester and one period per day the other semester.

A review and evaluation of the district K-5 language arts curriculum is being conducted and a proposal for revisions with new materials and textbooks will be presented to the Board of Education with recommendations for a new reading series in the early fall of 1984.

Nearly 200 students, grades 1 - 12, were serviced by Chapter 1 remedial reading services.

5th grade students in Mrs. Packard/Mrs. Berglund's room tutored kindergarten students in reading and pre-reading skills.

Frederic Elementary students participated in the March of Dimes, "Reading Olympics" program.

The Frederic 5th grade classes published the "Frederic Eagle Gazette" six times this year.

The Middle School Journalism classes published their school newspaper "In the Middle" six times during the year.

The Middle School held an essay contest during National Education Week with the theme "What Education Means to Me".

### LIBRARIES

Library volumes per student ratio and total circulation:

High School 22.5 volumes per student, circulation of 9,779

Middle School 19.6 volumes per student, circulation of 4,876

Grayling Elementary 10 volumes per student, circulation of 20,166

Frederic Elementary 10 volumes per student, circulation of 6,435

An evaluation of library services and facilities at the Grayling Elementary School was completed and a phase-in plan for improvements was developed.

Each Frederic kindergarten student received two books, courtesy of the Frederic library, for their participation in the "Reading is Fundamental" program.

The Grayling Elementary School held a Book Fair and earned \$500.00 for new books. With Campbell Soup Labels, they acquired for the library two filmstrip projectors, two tape player/recorders and a record player with P.A. System.

### FOREIGN LANGUAGE — SPANISH

20% of the high school students are taking foreign language this year compared to the State average of 11%.

21.7% of the middle school students are enrolled in foreign language.

High School foreign language students competed at Saginaw Valley State College taking second place in the Song and Skit division. They also performed both for the Board of Education at the December meeting.

High School foreign language students watched the Ballet Folklorico Mexicano at Interlochen Arts Academy and Drama Day at Michigan State University.

## Did You Know That...

### STUDENT LEADERSHIP

Approximately 150 high school students attended local meetings of governmental agencies.

90 high school students campaigned for student government positions.

35 Grayling High School students were among 250 COOR area students participating in the Michigan Department of Education's Project Outreach activities including discussion groups and reaction panels. As a result of her participation, Barbara Fitzgerald will represent COOR school on the State Superintendent of Public Instruction's student advisory board.

The Grayling High School Student Council hosted a Student Leadership Forum through Project Outreach focusing on academic requirements, competency testing and differentiated diplomas.

The Grayling High School Student Council and health class students attended a SADD (Students Against Drunk Driving) conference in Houghton Lake and hope to bring this national program to the district community next year.

Leadership training opportunities were provided a number of high school students through participation in Boys State, Girls State, the Hugh O'Brian Workshop and Operation Bentley.

Over 151 students were recognized in the Middle School Student of the month recognition program. Students were recognized for their citizenship, effort, manners, dependability and positive attitude.

The Middle School student Council, under the direction of Norma Naour and Mike Gardiner, purchased a new sign for the Middle School. Dedication of the sign took place Thursday, June 7.

Middle School Outdoor Education classes under the direction of Karen MacDonald took part in: a canoe safety program at Lake Margrethe; a winter survival experience at Hanson Hills; and Boating, snowmobile and hunter safety courses of study.

Grayling Elementary second grade students held their Annual Balloon Launch May 24th. Each student released a balloon with a card attached requesting that the person finding it return it to the school with information regarding their location. The location of the balloons returned are charted on a Michigan map so the students can see the pattern traveled.

The Sheriff's Department has again sponsored the Junior Deputy Program for our 4th graders. This program consists of valuable instruction in safety, first aide, drugs and public services areas.

Middle School home economics classes held "The Great American Apple Pie Cook-off" during Michigan Week.

Mrs. Packard's Frederic fifth grade class held a fund raising drive and Mrs. Knibb's Grayling second grade class raffled a quilt made by the students to help restore the Statue of Liberty.

The middle school students held their annual Jump for Heart activities and raised over \$1,500.

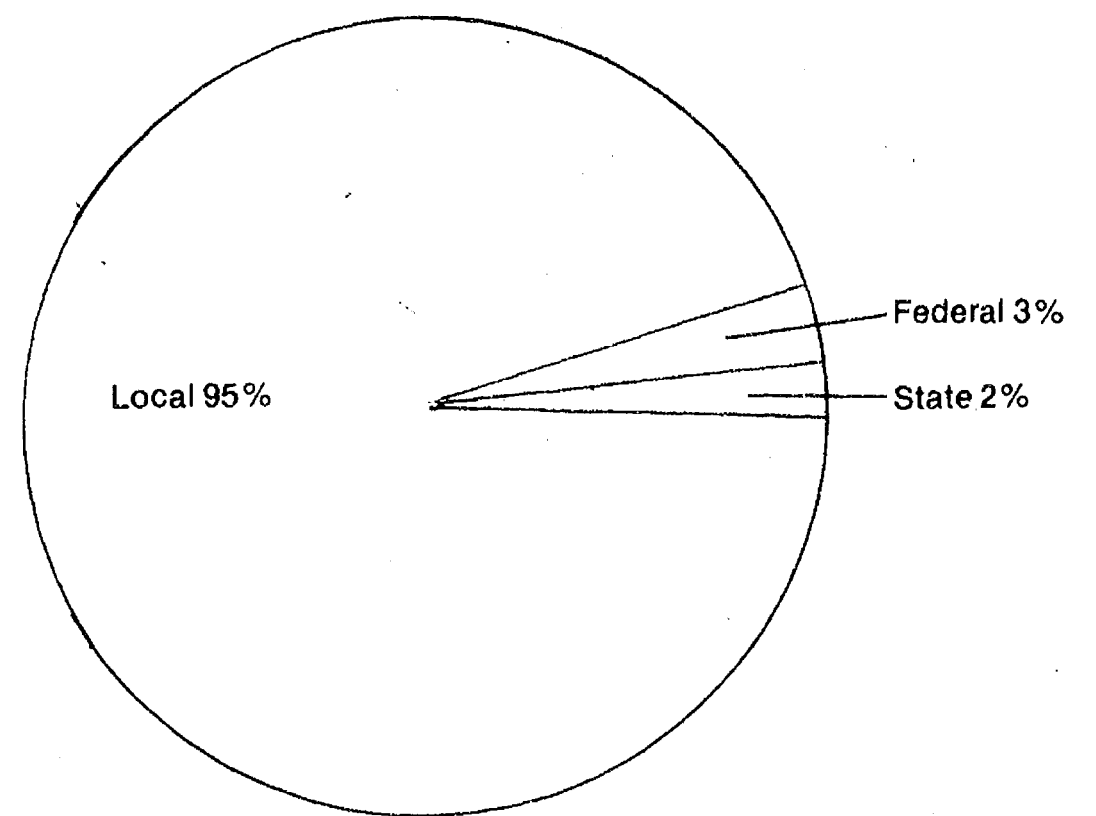

### VOLUNTEERS

88 community members volunteered a total of 6,607 hours of service to the students of the district. Individualized student instruction, remedial reading tutoring, library assistance and other direct student services were provided.

## Report To The

### GIFTED AND TALENTED (Advanced Studies)

The K-12 advanced studies program was implemented this year with 16 Grayling Elementary and 15 Frederic Elementary, 25 Middle School and 31 High School students participating.

The programs at all levels were designed to promote higher level thinking skills and research and project development.

Activities involved cross age tutoring and project development, endangered species, folklore, poetry and creative writing, video and film making, computer operations, architecture, theater, energy efficiency, photography and song writing.

Field trips were taken to: Stratford, Ontario to see "As You Like It", Kalamazoo to see the mime Marcel Marceau, Kirtland Community College for a mime workshop, Roscommon for a Meadowbrook Theater workshop, Greenville to a computerized die factory, Artrain, Houghton Lake to see the Interlochen Dance Ensemble, Michigan State University to their Folklore Museum, Traverse City to the TV 7 and 4 newsroom, Houghton Lake to the U.S. weather station and WQON radio station.

The High School program hosted an all school assembly with motivational speaker Jim Tuman.

25 middle school students took the SAT in January as part of the Midwest Talent Search. As a result of his exceptional scores, Matt Klemp qualified to take part in enrichment activities at Alma College this summer.

## Board of Education

In its annual review of energy consumption, the Board implemented the following projects:

1. New energy management system at Grayling High School
2. Energy management system at Grayling Elementary School (system transferred from the high school)
3. Pneumatic maintenance and thermostat calibration adjustments were made in all buildings except the middle school
4. Improved middle school gym lighting which reduced energy consumption to pay for itself in less than one year

A five year maintenance plan was developed and will be implemented if district funding permits.

The Board implemented new policy and regulations governing the evaluation of the teaching staff and adopted new policy and regulations governing the evaluation of non-teaching personnel.

The Board sold energy conservation bonds for the reroofing and insulation of the high school, a project which resulted in a 41% reduction in natural gas consumption (adjusted for degree days), a savings of \$28,000. during the 1983-84 school year.

The Board adopted new curricula in the areas of Middle School Science and Middle School Computer Education.

The Board adopted and implemented policy governing Board member visitations to building classrooms.

The High School vocational Building Trades class constructed the new Grayling Area Chamber of Commerce Building in the city park in cooperation with the Crawford County Housing Commission.

The Board conducted the Second Annual Board of Education Recognition Night May 24 when citizens, staff, students, business and organizations were honored by the Board.

The Board completed personnel projections outlining anticipated needs for the next five years.

Through Federal funding, curricular review and development was completed in the areas of computer science, reading, mathematics, science and language arts.

The District Curriculum Steering Committee began operation and met monthly throughout the year.

Open Houses were held in the Grayling Elementary School and Grayling High School buildings during Michigan week.

The High School faculty will complete a thorough review of graduation requirements, the issue of competency testing, and curriculum in the areas of language arts and science by November meeting of the the board of education.

The High School faculty completed a study of the feasibility and advisability of pursuing North Central Association Accreditation and with Board approval will file preliminary application materials. Further recommendations will follow State NCA office review of the materials.

## Computers — Mathematics — Science —

### COMPUTERS

The Weyerhaeuser Foundation donated \$14,000. for the purchase of computers for a middle school lab. Apple II equipment was selected and delivery is scheduled for June.

91.6% of all middle school students are scheduled for at least 9 weeks of coursework in computer science for the 1984-85 school year.

50% of all high school students over the past two years have completed at least one semester of computer science coursework.

A 6-8 computer education curriculum developed by the district computer education committee will be presented to the Board of Education for consideration June 18. Adoption of the curriculum will give the district a K-12 computer education curriculum.

For the 1984-85 school year, every elementary school classroom in the district will have access to a computer for 25% of all class time.

For the 1984-85 school year, a total of 46 computers will be in classrooms and libraries throughout the district.

The district K-5 computer education curriculum was presented at one regional and one statewide conference.

### SCIENCE

A new K-5 science curriculum was implemented. The program involves instruction for all elementary school students in the life sciences, earth and space sciences, physical sciences and health with an emphasis on learning activities. New textbooks, workbooks and laboratory kits were purchased. Specific objectives are being measured in each area at each grade level.

The existing 6-8 science curriculum was evaluated and reviewed and revisions were adopted by the Board of Education for implementation in the fall of 1984. All sixth grade students will take one semester of Health and one semester of General Science. All seventh grade students will take a year of Life Science and all eighth grade students will take a year of Physical Science.

125 sophomore students received First Aid and Personal Safety Certificates including CPR training through the Health classes this year.

207 (35.2%) high school students completed a year of higher order science (Biology, Chemistry (1st or 2nd year), Physics, Zoology and Physiology).

The First Annual District Wide Science Fair was held May 19th with 116 projects entered involving 150 students in grades K-8.

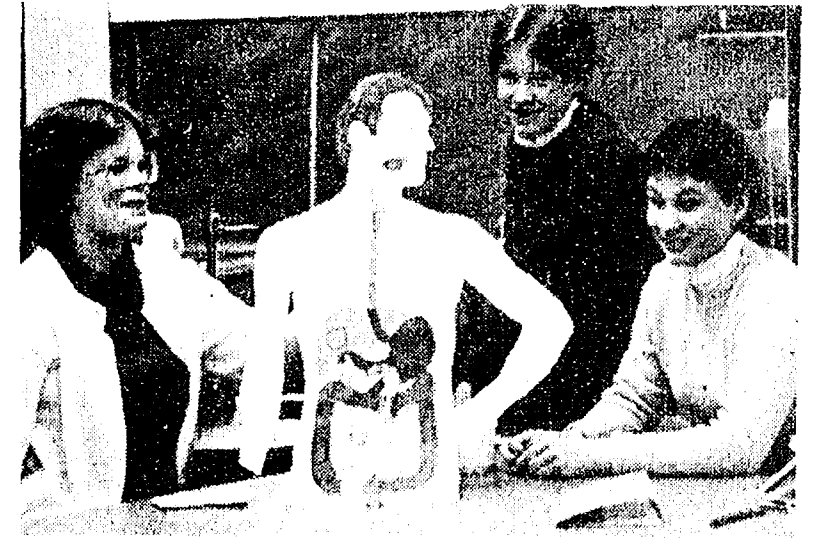

### MATHEMATICS

259 (44%) high school students completed a year of higher order mathematics (Algebra, Geometry, Trigonometry and Calculus).

62 middle school students completed a year of Algebra or Pre-Algebra.

Nine Grayling Middle School students were among 500 Northern Michigan Middle School students who participated in the Michigan Mathematics Competition. Todd Laitinen was honored as one of the top 25 students.

Frederic 5th grade students competed in the Michigan mathematics League. Ian Doten, Suzy McLaughlin, Pete Opperman, Danielle Waldorf and James Petrie received certificates of merit.

## Athletics — Fine Arts

### ATHLETICS

30.4% of the high school students (179) participated in at least one inter-scholastic sport: 22% of the girls and 45% of the boys.

38% of all middle school 7th and 8th grade students participated in interscholastic sports.

Karyn Reynolds won her second consecutive state individual skiing championship.

Darin White (football) and Karyn Reynolds (skiing-third consecutive year) were named to first team all state teams.

Heidi Bendig (basketball-special mention), Kris Laudenslager (skiing-2nd team) and Greg Helsel (football-honorable mention) were named to all state teams.

Five members of the girls track team qualified for the state meet with the 3200 meter relay team of Gina Medley, Michelle Moore, Tina Meldrum and Dawn Weatherly finishing third and gaining all state status.

The girls ski team placed 5th in the state for the second consecutive year.

The girls basketball team had their best season in history with a 15-5 record and a 3rd place conference finish.

The football team won the conference class C championship and handed state class D champion St. Ignace its only loss of the season. In their seven victories, the defense allowed a total of only 6 points.

The volleyball team continued their program improvement with a conference 3rd place finish and the JV team compiled a 14-1 record.

8th grade student Ward Jones placed 2nd in the state freestyle wrestling tournament and 3rd in a five state tournament at 130 lbs.

### FINE ARTS

The Elementary Select Choir performed for several community events including the R.S.V.P. dinner, Artrain, the new Health Care Center, a Christmas Concert and school performances for students. The Choir is made up of 38 enthusiastic fourth and fifth grade students from Frederic and Grayling Elementary Schools.

Students district wide produced and performed the hit Broadway Musical "Annie". The orphans stole the hearts of the community as the production played to packed houses.

"Annie", as well as High School theater productions "The Mystery of the Black Abbot" and "The Matchmaker" gave over 100 students production experience and the opportunity to improve their theater skills.

17 High School students participated in Forensics (Individual Speech Events) and Kathy Allen and Debbie Schanz qualified for regional competition. The 1st annual local performance was held.

The First Annual Grayling High School Fine Arts Awards Night was conducted May 29.

A majority of district students had the opportunity to visit Artrain during its stay in Grayling thanks to the efforts of the Crawford County Arts Council.

### Ausable Valley Youth Service Bureau

Does Canoeing, Roller-skating, Bowling and Putt-putt Golf sound like fun? If so, the Youth Service Bureau of Grayling has just the program for you!

Starting June 21st we will be sponsoring a youth recreational program open to all Crawford County youth between the ages of 6-18.

The program will run for ten weeks, and will have various types of recreational activities, workshops and field trips. These activities will take place every Thursday during the ten week period.

We would like to take this opportunity to invite you to come and participate in our program; there will be fun for everyone!

You may come into our office, located at 90½ Fred Bear Drive and sign your child up for the selected Thursday activities. Parents must come in to sign a permission form for their children and select the activities they wish to participate in. There will be a \$2.00 charge for each activity selected. Sign up will begin on June 11. Hope to see you this summer!

Amy Kathleen Yates was named a Presidential Scholar in the Department of Geography. She is the daughter of Mr. and Mrs. Bonnie Yates, of Grayling. Amy, who graduated from Western's travel and tourism program, would like to work in the travel field and use her proficiency in German, her second undergraduate major.

She also had a minor in general business, and was an intern this year at Performing Arts Abroad in Richland. She traveled to Hamburg, West Germany in the fall of 1982 on the National Work-Study Program in Germany sponsored by the University of Cincinnati and conducted a survey of travel agency managers for which she received the 1982 Travel/Study Abroad Award from the Department of Languages and Linguistics.

Other awards she has received include the 1983 Preis Der Bundesrepublik from the Department of Languages and Linguistics for the outstanding senior in German, and the 1982 Gildea Scholarship Award from the National Council for Geographic Education.

She also was a member of Alpha Lambda Delta freshman honor society and Gamma Theta Epsilon geography fraternity.

She has been active in the community in the Retired Senior Volunteer program of the Department of Social Services in Kalamazoo and a Red Cross blood drive volunteer.

## DON ALBOSTA

Michigan's Congressman from the Tenth Congressional District is pleased and proud to announce his Candidacy for Re-Election.

"As a Michigan House freshman in 1974, he called for investigations of the PBB contamination of cattle. State officials tried to downplay the matter and critics accused Albosta of unnecessarily frightening residents and farmers. But facts showed he was rightly concerned." DETROIT NEWS 7-3-83

"Midland's newspaper editor, John Palen, describes the silver-haired, ruddy-cheeked Congressman as a canny politician — 'a kind of populist' adept at appealing to gut reactions and bedrock values that characterize the district." DETROIT NEWS 7-27-83

"Nothing else in my opinion was more important than the question of ethics in government," he said in an interview. "Since Watergate, the Office of Government Ethics was established, and I think the public is gaining confidence in government. The public gains even more confidence if they know public officials have to live up to high standards' which Congress must oversee." BAY CITY TIMES 5-28-84

"Said one formerly critical congressional observer . . . 'He's friendly and outgoing. He doesn't always ride in the members' elevator (reserved for congressmen only). And he eats lunch in the cafeteria like the little people instead of in the members' dining room. One big thing he's got going for him is that he is not like a lot of the other big shots around here.'" DETROIT FREE PRESS 7-24-83

Lynn E. Elzinga and William H. Grauel Jr. were married March 31, in a candlelight service at the Central United Methodist Church in Traverst City.

The Reverend William Hertel of the Asbury United Methodist Church in Traverst City performed the double-ring rites before approximately 250 guests.

The bride is the daughter of Mr. and Mrs. Allen Elzinga of Traverst City, and the bridegroom is the son of Mr. and Mrs. William H. Grauel Sr. of East Jordan.

Escorted to the altar by her father, the bride wore a gown of candlelight ivory satin featuring a scoop neckline, leg-o-mutton sleeves, and a chapel-length train. The fitted bodice and train were accented with re-embroidered acylon lace, seed pearls, and crystallines. The tiered fingertip veil was secured by a tiara of pearls.

The bride carried a bouquet of cascading philenopsis orchids, stephanotis, baby's breath and ivy.

Nancy J. Rogers attended the bride as maid of honor. Lynn E. Smith, sister of the bridegroom, Kathy Purchase, Coleen Elzinga cousin of the bride and Claudine L. Allen, another cousin of the bride were bridesmaids.

They were attired in teal colored gowns, with layered ruffled sleeves, and fitted

bodices. They carried cascading bouquets of white gardenias.

Laura A. Wilder, niece of the groom, served as flower girl, and Lucas A. Wilder, nephew of the groom was ringbearer.

Allen J. Grauel served his brothers best man, with Timothy V. Smith, Gary M. Pelton, Donald A. Dureski, and Robert J. Howard assisting as groomsmen. Craig A. Elzinga and Greg H. Elzinga, brothers of the bride, and Robert W. Nemecek and Russel A. Hofman helped seat the guests.

Chuck Miller provided organ music during the ceremony.

The reception was held at the Grand Traverst Resort and the rehearsal dinner at the Holiday Inn.

The bride is a 1982 graduate of Central Michigan university and is employed by Coldwell-Banker, Acme office.

The groom is a 1979 graduate of Michigan State University and is employed by E.F. Hutton.

After a wedding trip to Hawaii with stops in Las Vegas, and San Francisco, the newlyweds are at home at the Grand Traverst Village in Acme.

The brides mother is the former Claudette Long of Grayling and grand daughter of Mrs. Harold Long.

The Grayling Health Care Center wishes to "thank" those community and area residents who have so graciously given of their time and talent for our residents. There is no greater gift than your personal gift of self, and we wish to let you know it is deeply appreciated. The programs have been varied and most entertaining for the residents.

A different kind of talent is also represented by different groups for the residents to enjoy. A variety of art work is always on display at the Center. The Faith Circle Ladies Group from Michelson Memorial United Methodist Church made butterfly dried flower arrangements for our dining room tables as a lovely reminder spring is indeed here.

Mrs. Fleming's 5th grade class at the Frederic Elementary School made the residents Spring Greeting Cards to brighten the resident's days. Mrs. McEvers 3rd grade class at the Grayling Elementary School colored spring flower pictures, and they are on display now in the lobby of the Center.

And, the children at the Library Story Hour made spring bouquets from egg cartons to display and cheer the residents. These were made by 3, 4 and 5 year olds and were really done well.

The resident's spiritual needs are also being seen to by the community in the form of devotions, ministry thru music, and worship services. Dave Wyman and Mary Davis provide the residents with God's Word and music, and Donn Broeker Pastor from the Grayling Baptist Chapel conducts a worship service on Saturday evenings.

Quilting, a very old craft, was demonstrated to the residents when Winnie Riddle's Quilt Class from The Icehouse came to the Center, and brought the projects they are working on. Some very beautiful blocks and quilts were shown. Members of the class attending were Ruth Steffe, Jeanne Feldhauser, Cleo Ferguson, Pearl Johnston, Mary Lampson and Susan Milner. Guests in class were Dawn Goodrich and Marion Welch.

A very Special thanks to McDonalds of Grayling for providing Detroit Tiger Caps, their Orange Bowl, and some of the McDonaldland Characters for the Center's May Birthday Party.

Again, thank you to everyone who has brought some form of activity to the residents at the Center.

We would like to encourage any interested individual, group, or organization who would like to appear at the GHCC, to contact Mimi Wilson, 348-2801, ext. 28, Monday through Friday, between the hours of 9:00 and 5:00. All are welcome, please call now and help fill the resident's hours by sharing yourself.

Jerome Steele and Kim Ostrowski were married on May 25, 1984, in West Palm Beach, Florida. After a three-day cruise to the Bahamas they arrived in Grayling on Tuesday of last week. On Saturday, June 2, they were guests of honor at an Open House hosted by Kim's parents, Mr. and Mrs. Larry Ostrowski on Chestnut Street. Kim and Jerome returned to West Palm Beach on Monday where she will start nurse's training at West Palm Beach Junior College. Jerome is employed there. He is the son of Mr. and Mrs. David Steele.

## TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-7895

### NOTICE OF HEARING

On February 10, 1984, Michigan Consolidated Gas Company (MichCon) filed its application for rate relief (Michigan Public Service Commission, MPSC Case No. U-7895). Subsequently, the parties to that case agreed that MichCon shall be permitted to file supplemental testimony regarding a senior citizen rate reduction and increased reconnect and meter charges which are described in greater detail below. The parties also agreed that hearings on that supplemental testimony will be held in conjunction with the hearings already scheduled for Case No. U-7895.

On April 12, 1984, a collection of statutes (1984 PA 26, 34, 35, 36, 37, 49), known as the Energy Assurance Plan (EAP), was signed by the Governor. The EAP was designed to meet the energy needs of low-income customers while attempting to moderate utility company bad debt through better targeting of available low-income assistance funding and enhanced deposit and reconnect requirements.

On November 9, 1983, the Commission had issued its order adopting rules in Case No. U-4240. That order conditionally approved certain amendments and additions to the Consumer Standards and Billing Practices Electrical and Gas Residential Service (Billing Practice Rules) which had been developed in conjunction with then pending legislation on EAP.

The EAP includes identification of the needs and problems faced by low-income utility customers age 65 years or older, because of increasing energy costs, and objectives for reducing the cost of energy to low-income senior citizens. In order to meet the objective of reducing the cost of energy to senior citizens, the EAP recommends exemptions from late payment charges, winter shut-off protection and increased weatherization services to low-income seniors. The EAP also includes a proposal that low-income senior citizens receive a 5% discount for the first 150 Mcf of gas usage.

To implement the EAP recommendation, which provides for a 5% rate reduction to low-income senior citizens, MichCon requests approval of a revised Senior Citizen Rate classification based on the following criteria:

- Customer Qualifications**—Space heating customers of record, ages 65 years or older, having a permanent residence, and whose household income does not exceed 125% of the poverty level, as published by the United States Department of Health and Human Services, shall qualify.
- Transition From Existing Rate 3**—If the revised rate proposed herein is approved, applications for MichCon's existing Tariff Rate Schedule No. 3, an age based senior citizen rate will no longer be accepted. Existing Rate 3 customers who qualify for the new senior citizens rate will upon Application be converted to it. The customers not qualifying for the revised Senior Citizen Rate will continue to receive the service and benefits provided under existing Rate 3. For those remaining non-qualifying senior customers, service under existing Rate 3 will no longer be available when: (i) there is a change in the customer of record, except where the customer's spouse age 65 or older requests service in his or her name in which case existing Rate 3 shall continue to apply, or (ii) the customer of record relocates.
- Revised Low-Income Senior Citizen Rate**—MichCon proposes to incorporate a new Tariff Rate Schedule No. 3A to provide a \$12.25 per month credit to qualifying customers during the billing months of December through March. The proposed Tariff Rate Schedule No. 3A also reflects late payment charge exemption and winter shut-off protection for qualifying low-income senior citizen spaceheating customers. The proposed customer service charge for Rate 3A is \$15.23 and proposed distribution charge is \$.08667 per hundred cubic feet of usage.

In order to recover the estimated revenue loss resulting from the low-income senior citizen reduction, MichCon proposes to increase the residential customer charges under Tariff Rate Schedules Nos. 2 and 3 by \$.23 per month above the \$15 per month charge proposed in MichCon's application of February 10, 1984.

MICHIGAN CONSOLIDATED GAS COMPANY

MichCon states that the 5% discount gas rate combined with the other EAP requirements identified in paragraph 5 will serve to reduce the vulnerability of low-income senior citizens to rising home heating costs at a minimal cost to other members of the residential class.

Rule 54(3) of the recently approved Billing Practice Rules modifications provides:

"The utility may assess the customer a charge, including reasonable costs incurred for restoration of service and relocating the customer's meter, if such charges are provided in the utility's approved schedule of rates and tariffs."

MichCon states that its revised Tariff Rule 15 enables it to assess the charges authorized under Billing Practice Rule 54(3) when the Rule becomes effective. The revised Tariff Rule 15 proposes to increase service restoration charges to \$350 if service had been cut and capped for theft. In all other cases where service had been discontinued because of gas theft, a \$250 service restoration charge would be assessed. The proposed Rule 15 also reflects a meter relocation charge of \$250.00 as provided for under Billing Practice Rule 15 and provides for multiple reconnect charges when service has been discontinued more than once within three years.

MichCon states that the revised Senior Citizen Rate, Reconnect and Meter Relocation Charges, and associated Tariff revisions described above are consistent with the EAP and the approved Billing Practice Rules modifications. Taken together with the EAP and Rules revisions, these proposals will curb abuses and complete the objectives of the EAP respecting low-income senior citizens. MichCon proposes that Tariff revisions should therefore be approved upon implementation of the EAP and the Billing Practice Rules amendments approved in Case No. U-4240, and made effective with the first billing cycle for December 1984.

Copies of proposed Tariff changes are available upon request to Mr. W. K. McCrackin, Senior Vice President, Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226.

Commission jurisdiction in this matter is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as amended, MCLA 24.201 et seq.; the Commissions Rules of Practice and Procedure, 1954 Administrative Code, 1968 Ann. Supp., R460.11 et seq.; and the Commissions Consumer Standards and Billing Practices, Electrical and Gas Residential Service, MPSC Case No. U-4240, as amended, Michigan Administrative Code R460.2101 et seq.

**NOTICE IS HEREBY GIVEN THAT.**

A. Hearings on the EAP related proposals will be held at 9:30 a.m. on July 2, 1984 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan. Parties will be given an opportunity to formally present petitions to intervene at this hearing.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, should file with the Commission, on or before June 20, 1984, an original and 12 copies of a petition to intervene, together with proof of service upon MichCon.

Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

C. MichCon will not object, on the basis of timeliness, to interventions filed on or before June 20, 1984 and will attempt to respond to all reasonable discovery requests by proposed intervenors even before any formal action is taken on their petitions to intervene.

D. The proposals described in this notice have been requested by Michigan Consolidated Gas Company. The Michigan Public Service Commission may either approve or deny the proposals, in whole or in part.

## Doodles From The Tall Timber

As the warmth of the days increases toward the peak of summer, I see more and more old friends appearing just as they have for years. What continues to amaze me is their punctuality. For example, in 1970, the Trailing Arbutus came into bloom on the 6th of May; this year it was on the 8th. In 1972, the Dandelion bloomed on May 12th; this year it was on May 10th. The Starflower flowered on May 23rd in 1972 and this year on May 28th. If not in bloom now, by the time you read this, the following flowers will be in bloom: Clintonia, foamflower, and moccasin-flower. All three of these came into full bloom on the 3rd of June in 1970.

In quick succession, by the 10th, the following flowers will bloom: Arethusa, Buttercup, Blue-Eyed grass, Bunchberry and Sundew.

Those who study such things believe that the length of day triggers flower development; still others add another variable in the form of pollinating insects which must reach a definite stage in their development which coincides with that of the flowers. I do not question their knowledge, but only seek to enjoy that which pleases the palette of the eye.

## Cong. Albosta To Seek Re-election

Congressman Don Albosta today announced he will be a candidate for re-election to the U.S. House of Representatives.

"The issues of this campaign," Albosta said, "will be fiscal responsibility, fairness, and service to the people of the 10th District. We must restore fiscal responsibility to the Federal government and stop the huge \$200 billion plus deficits that are being rung up every year for our children and grandchildren to pay."

The 10th District Congressman also mentioned his fine record of constituent service to the people. Each year his district offices handle over 12,000 cases and each week-end Albosta returns home to meet with constituents.

Albosta, who was first elected in 1978 to Congress, defeated his last opponent with over 60% of the vote. Albosta serves on the Public Works & Transportation; Post Office & Civil Services; and Aging Committees in the U.S. House of Representatives.

"I look forward to a spirited campaign that will give the voters of the 10th District the opportunity to hear a full discussion of the issues facing this country," concluded Albosta.

## NOTICE

Owners of property within the City of Grayling are hereby advised that City Ordinance No. 22 is and has been in effect since April 1959.

Section 2 provides, in part, for the following violations:

2 (d) NOXIOUS WEEDS. No person who owns or occupies land within the corporate limits shall fail to cut down all noxious weeds including ragweed, Canada thistles, milkweed, wild carrot, oxeye daisies, poison ivy, wild mustard, bin weed, saw thistles, or any other weed detrimental to the public health or comfort, and all such weeds shall be cut down as often in each year as shall be sufficient to prevent the same from spreading or going to seed.

2 (e) TREES, SHRUBS AND PLANTS. Any tree, shrub or plant which because of its nature or condition shall constitute a danger to property, or to the health or safety of the public, is hereby declared to be a public nuisance and shall be removed by the owner or occupant of the land on which the same is found.

Section 3: Enforcement. It shall be the duty of the City Manager and of the CityPolice Department to enforce this ordinance on behalf of the City by one of the following methods or by any combination thereof:

1. By prosecuting the person, firm or corporation for any violation of this ordinance.
2. By causing the nuisance to be immediately abated, without notice, provided such nuisance shall constitute an imminent danger to the public health or safety, or to property.
3. By causing written notice to be served upon the owner or occupant of any premises on which a nuisance shall exist to abate the same forthwith, provided, that if, after service of such notice the owner or occupant shall fail to abate such nuisance within 10 days from the date of such service, then the same may be abated by the City at the cost of such owner or occupant.
4. In the event any nuisance shall be abated by the City, the cost of such abatement shall be borne by the owner or occupant of the premises on which such nuisance existed and such cost may be recovered by action at law or by special assessment on the property on which the nuisance existed.
5. In addition to the foregoing remedies the continuance of any such nuisance may be enjoined at the suit of the City on any court of competent jurisdiction. It is the desire of the City Council and the Administration to have a clean, neat and healthy city in which to live and work. We request the co-operation of all property owners to help us attain this goal.

# Girls Go Farthest Ever At State Track Meet

The GHS girls tracks team scored 14 points at the state class C track meet in Clare - the most points ever scored by Grayling at state - and set two school records.

The 3200 meter relay team of Dawn Weatherly, Michelle Moore, Tina Meldrum, and Gina Medley placed fourth and lowered the GHS record by five seconds. The four girls had set the previous record earlier this season.

Medley also finished fourth in the 3200 meter run and fifth in the 800 meter run. In the 800 meter Medley broke her own GHS record by two seconds.

Medley is the first Grayling girl to place at three events at the state meet. Freshman Michelle Moore placed 11th in the 3200 meter run at the June 2nd state meet.

On May 23rd, Grayling took third in the conference

meet and five Vikings were named all-conference. Gina Medley, Tina Meldrum, Michelle Moore, Dawn Weatherly, and Melissa McEvers.

Grayling's 3200 meter team of Weatherly, Moore, Meldrum, and Medley set a conference record with their first place finish. The 1600 meter team of Melissa McEvers, Weatherly, Meldrum, and Medley also broke a conference record in their first place finish.

Medley captured first place in the 800 meter run and took second in the 1600 meter run. Moore took three third places in the 1600 meters, 800 meters, and 3200 meters. Meldrum took a second in the 400 meter run and Dawn Phelps took a 4th in the 100 meter hurdles.

Coaches Dan Ullery and Mike Smith said they were proud of the way the team kept improving over the entire track season.

**Piano-Organ Recital**

It was with great pleasure and excitement that Janet Dice presented her piano and organ students in recital. God blessed each with a special talent that they shared June 3, 1984, at 7:30 when they performed at the Michelson Memorial United Methodist Church.

Beginning students were Ryan Hindmarsh, Mike Spencer and Jon Noteware (who was unable to participate in the recital).

Intermediate soloists were Matt Spencer, Theresa McDonald, Gretchen Dice, Jean McDonald, Jordan Stancil, Paulette Reinhardt, and Angie Thompson.

Advanced pianists were Angie Larson (organ and piano), Jenny Money, Paula Nunn, Debbie Schanz, Patrick Nunn, and Paul Reinhardt.

Wayne Hindmarsh played a duet with his son, Ryan, and Janet Dice played duets with three other students.

The 110th Music Award was presented to Paul Reinhardt. Paul is the son of Warren and Betty Reinhardt. This award is for the student who consistently has the best lessons; listens and practices according to the teacher's directions regarding fingering, rhythm, phrasing, dynamics and musical expression.

A variety of songs were played from a list of popular composers such as Franz Liszt, Stephen Foster, Johann Strauss, Joseph Haydn, Claude Debussy, Johann Sebastian Bach, Felix Mendelssohn, Sister Miriam Winter, Hans Engelmann, Ljoneel Bart, Joe Garland, J.W. Thompson, and J.W. Schaum along with Hans Schick Leybach, Felix Arndt, J. Ehrich and Edward German.

**Dance Recital June 22-23**

The Crawford County Arts Council proudly presents its dance students in recital on Friday and Saturday evenings, June 22 and 23. The recital, "Show White and Other Dance Delights," will be held in Grayling High School's Joseph Stripe Auditorium at 7:30 p.m. Tickets, priced at \$3.00 for adults, \$2.00 for students, and free to students under five, are available from dance students, at Main Street Florals in Grayling, or at the door on performance nights.

The recital caps the first year of dance classes in ballet, tap, and jazz, since the Arts Council took over management of the dance program last summer. Instructors Louise Hayes and Jini Hindmarsh have been choreographing and teaching dance numbers since January; costumes have been ordered; and, according to the two teachers, "Everything is proceeding smoothly, and it is going to be an excellent recital."

The first part of the recital features 80 students from the individual classes in dances which reflect their progress made throughout the past nine months. One highlight of this portion will be the appearance of Mt. Pleasant dance instructor Toni Wejrowski, aunt of local student Jennifer Wejrowski, in a jazz dance with Stephanie Hindmarsh, who studies both locally and with Ms. Wejrowski.

After a brief intermission, students from the advanced ballet courses will present the story of "Snow White," choreographed to classical music. Ms. Hayes states that the story line is very clear, whether or not one follows dance, and will provide an evening of delightful entertainment for people of all ages.

**Iris Show at Mio June 16-17**

Iris "Goddess of the Rainbow" will be the theme at the 40th annual Mio Iris Show scheduled for June 16 and 17, Saturday and Sunday. The event will be held at the Mio Community Center in Mio at the corner of Cass and 9th Streets.

Iris exhibitors may enter specimen entries and artistic arrangements for judging on Saturday between 8-10 a.m. The show will not open to the public until Sunday, June 17 at 11 a.m. and will continue until 4 p.m.

Members of the Mio Irisarians are invited to a buffet luncheon on Saturday afternoon at the Mio Community Center at 2 p.m. A program including the crowning of an Iris queen is planned at that time.

The 1984 Mio Iris Show has been extended to a 2 day event this year honoring the 40th Anniversary of the exhibition. Mio claims the undisputed title of conducting the world's oldest continuous consecutive American Iris Society approved show. ## Troop 997

### Newspaper News

Well folks, you have finally done it. After four months of your generous contributions, the Troop 997 Paper drive semi-trailer is finally full. Now we are waiting for our buyer to pick the trailer up, and leave us an empty one. Thus, the paper drive is not over.

Until we have the empty trailer, we would like to ask that those people who are saving their old newspapers for us to please keep them until the new trailer arrives. If you continue to bring your papers to the Crawford County Road Commission compound, which is located on M72 East near the I-75 overpass, please pile your papers NEATLY on the pallets inside the barn adjacent to where the present trailer is parked.

When the new trailer arrives, you will be informed through this column as to its location, and possibly a pick-up day in which we will pick up papers.

Troop 997 would again, like to thank all of those people who have contributed to the filling of this trailer.

## Special Speaker For Women's Aglow Meeting

The Grayling Women's Aglow will be sponsoring a special speaker for the community June 16th at the St. Mary's Family Center, on Spruce Street in Grayling. The meeting will start at 10:00 a.m. and finish at 12:00 noon. We will have a short time of Fellowship & refreshments from 9:30 a.m. to 10:00 a.m. for those desiring to come early.

The special speaker for this month will be Abraham Rababy. Reverend Rababy was born in Beirut, Lebanon and speaks both French and Arabic as well as English. He is presently traveling all over the world with a ministry on "Last Days Prophecies."

Both men and women are invited to this special Aglow meeting and all are encouraged to attend. Don't miss this man of God, he is well versed in what's really going on in the Middle East and how it relates to the book of Revelations.

Bring a friend and come to hear some good teaching on God's word.

## American Legion Auxiliary News

by Laurie Jensen,  
P.R. Director

Last Wednesday evening, our Election of Officers was held. Our 1984-85 Auxiliary Officers are: President, Sharon Rubey; 1st Vice President, Mary Milner; 2nd Vice President, Kelly Alimenti; Chaplain, Goldie Livrance; Secretary, Roselyn Johnson; Treasurer, Yvonne Sketnicki; Historian, Violet Kehr, and Sergeant at Arms, Pat Gunton. The 3 persons on the Executive Board are: Leota Ingram, Helen Johnson, and Laurel Jensen. The Installation of Officers will be held this Friday, June 15 at 7:00 p.m. All Legion and Auxiliary members are urged to attend this ceremony. Beginning at 9:00 p.m. that evening we will have a celebration dance down at the Post. The music will be provided by Fred Hinkle who plays music from the 40's on up. We will be having a potluck dinner during the dance so ladies please bring a dish to pass. For further information, please contact Sharon Rubey or myself.

The Senior and Junior members will be having a float in the July 7th parade as well as the Milltown Parade. Contact Roselyn Johnson if you would like to help on the parade.

Our children from the schools worked very hard on the Poppy Poster Contest and we would like to thank everyone that participated. It was hard to choose the winners but here they are: From Frederic Elementary First Place: Andrea Flowers, Second Place: Chris Pine and Third Place: Kristen Moran. 8th and 9th grade: Darren Alimenti and the 10th-12th grade winners are: First place: Shauna Alimenti, Second place: Valerie Nelson and Third place: a tie between Lena Anglemeyer & Penny Holzman. Congratulations to all. I'm glad to see that no one is in the hospital at this time.

## Chamber Chatter

By Joyce Kolka

We had a nice turnout of Grayling citizens of the Chamber of Commerce to welcome the Kentucky National Guard to our community. Over a hundred guardsmen including seventeen members of the band enjoyed hot dogs & refreshments. The band entertained the group with some big band sounds that was pleasing to all. The next reception is scheduled for June 18th at the new chamber building for the officers, then to be followed by the reception on June 21st for the enlisted men.

The Chamber of Commerce Annual Banquet to be held on Thursday, June 14th at the Holiday Inn requires your immediate attention. The planning committee of the chamber has put together a short snappy program of reports, goals, objectives and to be entertained by Kentucky Guard Orchestra. Cash Bar Cocktails at 6:30 p.m. and dinner at 7:00 p.m. Tickets may be purchased at the chamber or any board member.

The Natural Resources Commission will be visiting us at a luncheon on Wednesday, June 13 at the Holiday Inn. The Commission, including the new director, Dr. Skoog, is touring the state of Michigan and meeting with the public. They will be touring the Weyerhaeuser Co. that morning from 10:00 a.m. to 12:00 noon. Then they will go to Grayling for the public luncheon. If you are interested in attending please call the chamber at once for reservations. The luncheon is a "dutch treat". The Commissioners are prepared to answer questions after some introductory presentations. We feel honored to have the Commission choose Grayling for one of their stops.

More American Outdoor Writers are invading our fine area. Mr. and Mrs. Joel Arrington of St. Louis, Mo. will be taken for a "float trip" by guide Roger Wisniewski on Friday, June 8th. On Saturday David Wyss will guide Bill Miller of Ft. Lauderdale, Fla. and Joel Arrington of St. Louis. Tuesday, June 12, Ed Martella will guide Mr. and Mrs. Clay Dovey of Chicago. The Chamber appreciated the services of the guides and their float boats made especially for the shallow AuSable River.

The plans for the Milltown Festival are coming right along with meetings being held bi-weekly to complete the many details of a successful celebration. Invitations for floats, bands, marchers and participants have been mailed. Some results are already in. The programs of entertainment, Arts & Crafts and special events are getting the final touch. We need your help, call us and we'll put you to work.

A hearty welcome goes out to the American Legion/Auxiliary, Bob and Sue McCurdy of Montgomery Ward, Chip Klein, Administrator of Grayling Health Care Center and Bruce and Mary Jones of Roscoe-McHiggins Campground. We hope these new members enjoy their membership in the chamber and become active in our committee programs which benefit the entire community.

# CHURCH DIRECTORY

## THE RING OF TRUTH

How much we depend on symbols to express our thoughts, our feelings, our convictions!

This ring says "We're engaged." It speaks of love and promises given. It prophesies marriage and vows to be taken. It proclaims to the world that two lives shall be forever intertwined.

But can anyone be sure that such a symbol speaks truth?

We can express with this ring only what is real and honest in our hearts. If our hearts lie or deceive, the symbol becomes part of the fraud.

If this ring then is to speak truth, he who gives it and she who wears it must have learned within themselves to separate truth from falsehood in thought, in feeling, in conviction.

The Church has a great deal to do with the sacredness of love and marriage. It can fulfill its duty best if given the opportunity to mold the character of our sons and daughters long before their wedding-day.

The First Annual Performing Arts Awards Ceremony at Grayling High School was held on Tuesday, May 29, in the Instructional Materials Center, with more than 100 people in attendance.

Instrumental Music director Steven Britton presented freshmen band members with certificates. Students receiving recognition included: Kim Burpee, Jeff Hayes, Melissa Jones, Rebecca Jones, Allen Morford, Maria Stephan, Katie Tinker, Eddie Tompkins, Jason Wilson, Keith Whaley, James Bryan, Crystal Herdon, and Sharon Walters.

Sophomore band members receiving letters were: Beth Bedard, Debbie Dibble, Stephanie Hindmarsh, Chuck Johnston, Lisa Kitchen, Jim Knight, Jackie MacQue, Dennis Mansfield, Tammy Morse, Wendy Pittman, and Telaina Sanderson.

Senior Paul Gust received a fourth year trophy, as well as the prestigious John Philip Sousa Award.

Individual Speech Events (Forensics) Coach Nancy Lemmen handed out first year pins to team members: Kathy Allen, who finished 3rd in the District competition; Barb Fitzgerald; Laura Grudzien; Patty Hatfield; Erin Hickey; Kim McDonough; Kristin Lademan; Pat Moore; Colette Petrosky; and Debbie Schanz (who finished 3rd in District competition).

Second year pins were given to: Troy Haag, Stephanie Hindmarsh, Jeff Martinez, Monique Petrosky, Brenda Prause,

Kevin Reynolds, and Damon Thayer.

Nancy Lemmen and Howard Taylor Theatre Dept. directors, presented the drama awards to the following theatre students: Outstanding Newcomer - freshman Allen Morford, Outstanding Crew Members - seniors Karla Dosch and Monique Petrosky, Outstanding Character Actor - junior Damon Thayer, Outstanding Character Actress - junior Brenda Prause, Outstanding Supporting Actor - sophomore Dennis Mansfield, Outstanding Supporting Actress - sophomore Stephanie Hindmarsh, Outstanding Actor - Paul Gust, Outstanding Actress - Brenda Prause, and Outstanding Contributor to the GHS Theatre Dept. during the past four years - Paul Gust.

Sherry Haag, Vice-President of the Crawford County Arts Council, presented scholarships to four students to be used for summer arts study: Stephanie Hindmarsh received a check to assist her in her study of dance at a Chicago workshop; and Amy Hough, Angela Larson, and Telaina Sanderson received funds toward their study of instrumental music at Blue Lake Performing Arts Camp.
